

What is your Ring Size?

3 SIMPLE STEPS TO FIND THE CORRECT RING SIZE

STEP 1. Print out our ring sizing guide

STEP 2. Choose an existing ring that correctly fits the intended finger. Customarily, engagement rings & wedding bands are worn on the “ring” finger on the left hand.

STEP 3. Position the ring on the top of the circle. Match the inside edge of the ring with the inside edge of the circle that is nearest in size. If the ring is between two sizes, choose the larger size.
